Attachment: Replacement Sheet

**REMARKS**

Claims 1-21 remain pending in this application. Each of the pending claims is believed to define an invention which is novel and unobvious. Favorable reconsideration of this case is respectfully requested.

In regard to the objection to drawings, a replacement sheet for Figure 2 is submitted herewith.

A new Abstract of the Disclosure is submitted herewith on a separate sheet as required by the Examiner.

Claims 5-15 have been objected to due to various informalities. Claim 5 has been amended to correct the informalities noted by the Examiner.

If the Examiner is of the opinion that the prosecution of this application would be advanced by a personal interview, the Examiner is invited to telephone the undersigned counsel to arrange for such an interview.

In view of the above amendment, applicant believes the pending application is in condition for allowance.
